Fighting towards a Wales without cancer

**CANCER RESEARCH WALES
YMCHWIL CANCER CYMRU**

Cancer Research Wales is one of the leading cancer charities in Wales. We are dedicated to the pursuit of a cure for cancer. Currently we are making vital progress into prevention, early diagnosis and better treatment of cancer, which will benefit cancer patients in Wales and beyond.

“ *A cancer diagnosis hits everyone, it's like dropping a bomb and the ripples touch everyone.* ”

Chris, a supporter of Cancer Research Wales, has been supporting the charity in memory of his wife, who he very sadly lost to bowel cancer in 2016. Chris is currently fundraising to raise awareness of bowel cancer and the importance of early diagnosis.

“My path in life changed 4 years ago when my beautiful wife Rita was diagnosed with Bowel Cancer. A cancer diagnosis hits everyone, it's like dropping a bomb and the ripples touch everyone.

The closer you are to the person the more impact it has on you. It changes you and affects you forever. It is the worst. Unless you've gone through it, you just can't explain it. It is total devastation.

My wonderful wife Rita (Rity) bravely fought Bowel Cancer for well over 4 years. Sadly she is no longer by my side however I know that she would want us to continue to do all we can to stop
